**September 6, 2008 11am-5pm, reception at 2pm**

**Winans Meadow, Trailhead 2, 4500 Franklintown Road**

Art on the Gwynns Falls Trail is Baltimore's largest outdoor free public environmental sculptural exhibition featuring work from over 20 local artists. Installations will include pieces constructed entirely from found materials from urban areas, highlighting the impermanence of our natural and built environments. The exhibition takes place in the beautiful Winans Meadow, a natural oasis located in Gwynns Falls/ Leakin Park. The meadow is the perfect place for this family oriented event that encourages all of Baltimore to discover the natural wonders in the heart of the city.
